## Invitation

It is our great pleasure to be able to invite you to the 25th Frame Running Camp & Cup 2022 – an anniversary to be celebrated!

Once again, we are going to celebrate Frame Running with a wonderful week of training, social activities, and competition for everyone who wants to join the international Frame Running community. In the light of Frame Running unfortunately not being included at the athletics program at the Paralympic Games in Paris 2024 it is more important than ever to have a successful Camp & Cup in order to show the world that Frame Running is a great sport with a lot of active athletes from all over the world!

We hope that you will join us at the Camp 2022. In this invitation you can read all about how to register. Please read it thoroughly before starting the online preliminary registration.

## Training venue and camp facilities

All camp activities take place at Frederiksberg Idrætspark and the Tre Falke School. The two facilities are located right next to each other.

## Frame Running Coaching Course

Once again, we are arranging a course for new Frame Running coaches. The instructors of the course are the experienced coaches from the Danish National Frame Running Team. They will be sharing their training methods and guide the participants through theoretical and practical exercises.

## Team Manager

Each country must choose a Team Manager to oversee the communication with the camp organizers before and during the camp. From June 1st, the camp organizers will post important new information through a Facebook Messenger group conversation, which all team managers will be added to by the camp organizers. Therefore, remember to choose a team manager from your team when you fill out the online registration. If a country has more than one team coming to the camp, they must choose only one person to represent all the teams as the country's team manager. During May we will enquire about the name of this person.

## Competition Information

### Competition Regulative:

The competition is held in accordance with the World Para Athletics rules and takes place in accordance with the international classification standards. When distributing the prizes, we will follow the international standards.

Read the World Para Athletics rules and regulations here:

<https://www.paralympic.org/athletics/rules>

To optimize the races, the competition organizers retain the right to mix runners from different classes in each heat. It will be possible for athletes to participate in the competition even though they have not participated in the Camp. It will cost 900 DKK including disciplines and 3 X lunch.

If an athlete only participates in the Cup and not in the Camp, the participant must be classified in advance by an international classifier. The event will consist of 3 competitions that are running simultaneously with each other in order to offer participants of all ages and classification groups the possibility to compete.

The maximum number of events per athlete is limited to 4 events. Which competition an athlete will compete in, depends on which age group and classification group the athlete belongs to.

### Classification

CPISTRA and LOC are currently in discussion with World Para Athletics (WPA) on whether International classification will be available at the camp and cup. If it is available athletes will be classified under the new classification system. Following are guidelines:

It is unlikely that all participants in CPISTRA International Cup will have the opportunity to be classified at this cup. Those who are not provided with a classification slot and have been licensed on the WPA database will compete under the transitional arrangements put in place by WPA. CPISTRA will adopt the same transitional arrangements for any athlete who appears on the CPISTRA classification database but have not yet been licensed with WPA by their home nation. It is likely that the RR1, RR2 and RR3 classes will be used. Participants in the Open Cup and Junior Cup will follow the old system (RR1/RR2/RR3/RR4/RR1A). This will be decided at a later stage.

### Participation quota and corona virus:

Since we have limited room for accommodation at our schools premises all countries will, in case of overbooking, receive a quota, which determines how many of your country's participants (athletes and staff together), we can accommodate at our schools premises. If the quota does not match your country's total number of participants, then we refer to entry option 2A and 2B above. If there in total are too many registrations in relation to corona restrictions this may cause that the countries will be asked to reduce the number of athletes – before 15th March.

### Cancellation procedure

If the organization committee cancels due to the corona virus all payments will be refunded. If a country cancels due to national corona restrictions all payments will be refunded. In all other cases payments will not be refunded. General cancellation procedure for option 2 (hotel): 50% of the full payment will be refunded if cancellations are made before **June 1<sup>st</sup>**. None of the payment will be refunded in case of cancellations after June 1<sup>st</sup> and no changes to bookings will be accepted either.
