Frame Running Coaching Course 2022

Frame Running Denmark is facilitating a course for new Frame Running coaches in connection with the 25th Frame Running Development Camp & CPISRA International Cup 2022, an anniversary to be celebrated! The instructors of the course are the experienced coaches from the Danish National Frame Running Team or Frame Running Clubs. They will be sharing their training methods and guide the participants through theoretical and practical exercises.

The coaching course is taught entirely in English. Please note that athletes and national team staff members participating in the event, will not have the opportunity to participate in the coaching.

The Frame Running Coaches' manual will be the theoretical work of reference during the entire coaching course. The manual can be downloaded at: framerunning.org/about-frame-running/rules-and-manuals/
